Jubilee biggest and best ever

BELLE GLADE—The fourth annual Black Gold Jubilee is finally over. The committee members can take a breather—

for now. The community, which pulls together once a year to put on the weekend's schedule of games, contests, food and entertainment, can separate into its little groups and households until next year at this time when it will be time to do it again.

Yes, Black Gold Jubilee has swept by the event. Most of those involved said they felt the event went well, perhaps even better than ever this year.

"It was good," said Steve Weeks, chairman of the committee. "I heard a lot of people say they particularly liked the new pavilion where they could spread out more rather than the old one where they were bunched together."

The weekend was kicked-off, or should that be off and running, when the Marathon Minus One Half started at Glades Central High School Saturday morning at 8.

A three mile race was also run at the time. Levelle Moreland won the 13 mile half-marathon on the men's side and Angie Kelsø won the women's event.

In the three mile run, Darlene Jones took the women's honors and Terry Lee the men's.

With the ending of the races, the parade began. Floats from Okeechobee, the local chamber of commerce and city hall travelled the route from Glades Central City Hall along with many others. Riding early in the parade were the citizens for the day: Raymond Treacher, his wife Sheila and daughter Pamela. The committee was searching for out-of-state residents and they found them in the Treachers. They hail from England.

Winning entries in the parade were:

- Best non-business: Sunshine Water Sports,

which received a \$150 prize.

The second prize of \$100 went to the Okeechobee Chamber of Commerce speckled perch float.

Third prize, \$75, went to the Pahokee Future Farmers of America.

• The best business float plaque went to Guerry's Plastering.

• Glades Central and Glades Day tied for the best marching unit honors.

• The best out-of-town entry went to Suncoast Baptist Church out of North Fort Myers.

Simon Train quits city race

By JEFF BROWN

PAHOKEE — Simon Train Hastings, who early last month filed qualifying papers to appear on the ballot for the Pahokee City Council, has withdrawn from the race claiming complaints have been filed with the radio station he works for and with a federal agency.

"I am forced to withdraw from the Group II City Council race as one of my opponents (Jim Usher) has filed a complaint with my employer, WIRK-FM radio and the Federal Communications Commission requesting equal time of four hours per day broadcasting time between April 2 and May 4."

Hastings, who broadcasts for WIRK-FM under the name Simon Train, was running for the Group II race against Usher, Ada Bush, George "Walber" Rashley, Jr., and Helen F. Webb.

Usher could not be reached for comment, although according to an article by Chuck McGinnis which appeared in the April 6, 1982, edition of the Glades Times, Usher said he did not file a complaint with the station or the FCC, but that he had inquired with the station regarding equal time.

Usher was also quoted as saying he had never received a reply.

"Naturally my company cannot afford to do that for an unqualified radio announcer," Train wrote in a letter asking his name to be removed from the ballot. "It seems like reverse discrimination to me as an American citizen since I cannot compete for an elected office and make a

living at the same time during an election race.

"I was looking forward to the opportunity of serving on the city council," it stated. "It is a big disappointment to me personally that I am denied the opportunity to seek a victory in the upcoming election."

The election is scheduled for May 4.

Eighteen candidates are running for seven seats in the city government.

Running for mayor are Duncan Padgett and Nick Ginyery.

Charles M. "Sonny" Brown, Carmen Salvatore III and Robert L. "Bob" Welby are vying for the city marshal's job.

Betty J. McCoy and Peggy Vaughn are running for City Clerk. Padgett, Salvatore and McCoy are incumbents.

In the Group I City Council race, five candidates have filed: Glen H. Carrick, Ronny Graydon, Ramon Forta, Jr., Gilbert "Skip" Lanham and Diane Stevens.

Running in the Group III race are Jon C. Mock and Woyonia Cummings.

Mock is the only councilman running for re-election, although several of the other candidates have served in the city government in some capacity in the past.

The date of 18 candidates will be listed on a two sheeted ballot, the first time Pahokee has had more than one sheet on its ballot, according to Betty McCoy, city clerk.

The deadline to file was Friday, April 2.

THE ALTMAN BROTHERS had the best seat in town as they watched the Black Gold Jubilee Parade from the lap of their father, Mayor Tom Altman.

Kiwanis prayer breakfast set

BELLE GLADE—The third annual Kiwanis Prayer Breakfast is scheduled for Good Friday, April 9, at 8:45 a.m. at the Belle Glade Civic Center.

The invocation will be given by the Rev. Henry Fuse Jr. The Rev. David Evans will be the Master of Ceremonies. The welcome address will be given by Larry Lamb, president of the Kiwanis Club and Mayor Tom Altman will give the acknowledgement.

The keynote speaker for the occasion will be the Rev. Ray Steadham, pastor of the Canal Point Baptist Church. Carol Schmidt, music director of the United Methodist Church of Belle Glade will provide special music.

The theme for the breakfast, according to Jack Shafer, is "to blend our community, acknowledging our awareness and need for God's guidance in our individual life and the community as a whole."

Tickets for the breakfast are \$4 and can be purchased from the Bible Book Store, any Kiwanis member, as well as at the door.

Freddy's Restaurant will be catering the breakfast and the menu will consist of scrambled eggs, patty sausage, biscuits, sausage gravy, butter and jelly, orange juice, and coffee.

Proceeds from the breakfast will go to the Spiritual Aids Committee for community services, according to Dicky Snow, the Spiritual Aids Committee Chairman.

The theme for the breakfast, according to

City advertises for bids, club closed

BELLE GLADE — The Lakeside Country Club and Restaurant was almost entirely closed April 1 as the city prepared to advertise for bids on leasing the establishment.

John Vayias, the former operator of the club, informed the city commission Tuesday, March 23, that he could not retain his lease on it through the 90-day extension the commission had granted him the previous night, according to City Manager Rolf Wagner.

According to Wagner, Vayias' liquor license expired at the end of March and to renew it would have put too much of a financial burden on an already serious cash flow problem.

The city advertised for bids on the lease earlier this month and will be accepting them for another week.

Until another lease is found, the lounge will be operating on an in-

terim basis, selling only sodas and snacks, according to Wagner.

The golf club and pro shop are also opened.

Vayias came to the commission in early March to ask the city to lower his rent from \$750 per month to \$250 in a new lease. The old lease expired at the end of February.

The city commissioners expressed displeasure with that proposal and asked Vayias to come up with another one.

Vayias told the commission March 22, that he could not come up with a new proposal and asked for a 90-day extension on the lease to keep it operating.

The city granted the extension and discussed methods to be followed in accepting bids on a new lease.

Vayias had operated the club since 1979.

PAHOKEE — The Pahokee Chamber of Commerce Board of Directors Monday, April 5, accepted the resignation of Secretary Vee Harrington and began the search for an executive secretary.

Harrington's resignation was submitted Monday after the directors redefined the duties of the secretary and offered the position, re-titled Executive Secretary, to her.

The directors decided to redefine the duties of the secretary at a March 29 meeting at the home of Director Lynda Moss.

The duties of the Executive Secretary will include:

- Promoting Pahokee and helping prospective new members and pre-

sent members.

- Keeping the office clean.
- Reporting and following through on any maintenance problems.
- Answering the telephone.
- Arranging the annual dinner banquet and other functions.
- Representing the Chamber to all other community organizations.
- Putting together a "Welcome to Pahokee" package for new businesses and prospective members.

In the past, appointed members of the board have been responsible for arranging the special functions and banquets the chamber holds.

Harrington said she was resigning because she feels she could not handle the new duties of the executive secretary.

THE BELLE GLADE Chamber of Commerce entered the Horn of Plenty with plenty of vegetables from the Glades in the parade.

Victim portrays himself in crime stoppers

For Belle Glade resident Manuel Chancey, the current "Crime of the Week," selected for Crime Stoppers reenactment is a grim reality. "I can tell you exact-

ly how it happened," Chancey told members of the Channel 12 television crew, who were in Belle Glade to tape the episode.

Chancey portrays himself as the victim of robbery and attempted murder in the television dramatization. "I never lost consciousness... almost died, though. And I'm lucky, or you might say 'blessed' because all of those bullets missed my spine, or I wouldn't be here today," he added.

Still somewhat weakened by the ordeal and his stay in the hospital, Chancey believes in the Crime Stoppers program and offered his full cooperation. He is hopeful that the offer of reward and guarantee of anonymity will bring results and that someone with information about the suspects will now be able to tell what they know.

The following

scenario details the Robbery/Attempted Murder.

On November 20, 1981, Manuel Chancey arrived at his "G & G Grocery Store" on West Avenue "A" in Belle Glade at 5:25 A.M. As he approached the store entrance, he was accosted by two black males with drawn handguns.

"Freeze! It's a holdup!" they shouted.

Then, as the store owner took his keys from his pocket, the robbers misunderstood the action. Thinking he was drawing a gun, they fired. Chancey fell, wounded in the side, midsection, and right arm. Fighting for his life, he returned the fire. As they fled on foot, he followed and again gunshots were exchanged.

Chancey then retraced his steps and collapsed on the walk in front of the store, where an employee, just arriving, summon-

ed help.

The gunmen were described as black males, 5'10" to 6' tall, about 170 pounds and medium build. Both wore ski masks.

Anyone with information about this or any serious crime is asked to call crime stoppers at 689-TIPS. Anonymity is guaranteed and rewards of up to \$1,000 are offered. How does it work? When informants are assigned a code number. When they call back to check on the value of the information or progress of the case, they identify themselves by that number, which no one else knows. Rewards are paid in cash.

Detective John Carney of the Belle Glade Police Department, who has been working on the Chancey case, agrees that the CRIME STOPPERS program is valuable to the

police. "Some people fear reprisals and this offers a way to tell

what they know and no one can find out where the information came

from," he said. In Belle Glade informants may call 689-TIPS, collect.

Fun Day slated

BELLE GLADE -- A community "Fun Day" and "Mr. and Miss Junior Pageant" will be held Sunday, April 18, at the Lake Shore Park.

Project organizers said the program calls for the public to participate in a number of recreational games during the day long festival.

Johnny Jackson, coordinator of the fun day and pageant, said it is being held to bring the community closer together and to give young people "something constructive" to do.

Jackson said all of the planned activities are free and all ages are invited to participate.

The activities get underway at 2 p.m. and include a softball game, volleyball game, horseshoe contest, sack race, pie eating contest, watermelon eating contest and the pageant at 8 p.m. at the Lake Shore Civic Center.

At the pageant a Mr. and Miss Junior will be crowned. Jackson said the age groups are from 7 to 12 year and 13 to 16. Trophies will be given to the winners.

Jackson said contestants must participate in the fun day activities. Contestants

are asked to enter the contest prior to Sunday, April 18.

Contestants may contact Jackson at 216 S.W. 6th St., Belle Glade, 996-8420 or Mrs. Sheila Inman at 572 S.W. 2nd St., 996-5266.

He said local merchants have donated funds to help defray the program cost. Businesses donating

funds to the program are Seminole Supply, Inc., Kentucky Fried Chicken, Food Center, Bobby's Market, Western Auto, TrueValue Hardware, Rodriguez Service Center, Coca-Cola Bottling Company, Sweet n' Sassy, Larry's, Lockwood Herick, Curtis Mathis, A-Won Trophies and the Fox Trap Lounge.

Rob Tiller of Hatton Properties said plans have been made to create a private recreation and athletic club out of the facility.

20 YEARS AGO
THE BELLE GLADE HERALD
APRIL 5, 1962

The medical staff of the Southwestern Palm Beach County Public Hospital Board unanimously recommended, and the Board concurred in the recommendation, that the new hospital facility be located within a half-mile radius of the mid-point between the city limits as they existed on Jan. 1, 1962, on State Road 715.

Bids for the second-story addition to the Glades Courthouse were within the budgeted figures and the low bidder was expected to receive a signed contract soon, according to County Commissioner Paul Rardin.

The bids of \$67,775 by DeVos Construction Co., of Lake Worth appeared to be the low bidder.

A 150,000 ton addition to the basic quota and the 25,000 ton annual growth provided in the sugar industry's legislative proposal for a new sugar act were both declared by Senator George Smathers to be essential.

Smathers, speaking to the U.S. Senate, said he hoped the proposed sugar act would be passed by Congress.

He said the number of raw sugar mills in Florida was increasing from three in 1960 to 11 in 1963.

30 YEARS AGO
THE BELLE GLADE HERALD
APRIL 4, 1952

Lagging improvements at the Belle Glade Airport were given added impetus by the chamber of commerce when the directors heard a report which included facts and figures on the need of the improvements and the value of crop dusters working out of it.

The improvements were supposed to be paid for with funds raised from local, state and federal sources.

The data report was to be submitted to higher echelons of the Civil Aeronautics Administration. The Glades Prison Farm began canning pork and beans in a recently completed cannery.

All ingredients used in the process, including the beans, brown sugar and molasses, were being produced at the prison farm, according to Supt. Cliff Greene.

The cannery's output was to be regulated to meet the demands of the state institutions it was meant to supply.

County agents were completing plans for the fourth annual Southeast Florida Livestock Show and Fat Cattle Sale at the Mayo Pavilion at the Everglades Experiment Station.

Agricultural Agent Marvin Mounts said he expected a good showing of purebred cattle and a number of good breeders in the show.

40 YEARS AGO
THE BELLE GLADE HERALD
APRIL 10, 1942

A 200 ton-per-day sugar mill was purchased for State Farm No. 2 in Belle Glade with plans to use it to produce the sugar and syrup consumed at the farm.

The superintendent of the local farm said the state had planted 200 acres of sugar cane to be ground during the fall of 1942.

Sufficient cane was to be grown locally to produce the 800,000 pounds of sugar necessary and the thousands of gallons of syrup. A 40-ton per acre yield was predicted.

Belle Glade Draft Board Chairman John Dunaway and Board Member Lou Betzner resigned their positions at the suggestion of the state Selective Service headquarters.

The suggestion was that all members who fell into the age range eligible for the draft (under 45 years old) resign to avoid criticism.

Luther Jones, the remaining member of the board, asked that the resignations not be accepted too quickly and that they not be removed at the same time, in view of an expected huge increase in registrations.

Five new sewing machines were added to the Red Cross sewing room when the Belle Glade Woman's Club held its regular work session.

Those sewing at the weekly meeting included Mrs. Harry Hummel, Mrs. N.T. Taylor, Mrs. F.D. Stevens, Mrs. Clarence Springer, Mrs. Carl Ogle, Mrs. J.W. Rashley, Mrs. Allen Greer, Mrs. Thomas Bregger, Mrs. Ralph Kidder, Mrs. Lewis Bartlett, Mrs. Howard Haney and Mrs. Herbert D. Beck.

30 YEARS AGO
THE EVERGLADES NEWS
APRIL 8, 1952

The big news of the day was the announcement by Herman Gold that he had bought a site to bring a moving picture theater to Belle Glade.

Gold had already built and was operating the Prince Theatre in Pahokee.

He said the site for the proposed theater was a 50 by 110 foot lot located next to the Glades Supply Company and Lou Betzner's hardware store.

The Pahokee School expansion being proposed was made possible by the announcement of an exchange of lake front land for land adjacent to the school property, which was owned by A.E. Zimmerman.

THE PRETTIEST CAT TROPHY went to Brandi Miller's cat Bear.

Fighting temptation

You've seen the bumper sticker which says something to the effect "Don't talk about the farmer with your mouth full."

That's not an exact quote, but the meaning is close.

I thought about the other night when I was at a Future Farmers of America banquet.

I know you are supposed to eat when you go to a banquet. After all, a banquet is by definition a "lavish meal."

My only problem was that I had already eaten supper earlier in the day and at my stage in life, I only need one supper a night.

I was at the banquet strictly to visit and work, that is get the story and take the pictures.

I had barely sat down when one of the attentive young girls who was serving supper walked up with a plate of vittles that can only be described as looking and smelling delicious.

"No thank you, I've already eaten," I explained.

About five minutes later, there was a second sweet young thing with another plate of temptation, piled even higher than the first.

With beads of perspiration popping up on my brow as I fought off temptation, I replied, "No thank you, I've already eaten supper."

Well, I thought to myself, at least now I know how Adam felt when Eve kept waving that apple under his nose.

Temptation hadn't completely left the room, however. Not more than 10 minutes later, I turned around and there was the smiling face of the FFA advisor, looking straight at me with another plate of food.

Though he was not nearly as sweet looking as the two young girls I had previously encountered, the food was even better.

I had to tell him the same thing that I had told them: that I had already eaten.

Like with Casey and Mudville, three strikes and you are out.

No one else tried to get me to eat, though several folks did try to tempt me with some apple cobbler for dessert.

Sometimes you just have to have willpower, though often it's easier just to eat the whole thing and suffer the consequences later.

Letter

Editor: A fought to protect that flag (Korean War) and am proud of it and respect it. When the time comes that I am laughed at for showing I have seen in over twenty years.

My pleasure was marred, however, by one small incident: As the second color guard was going by, I heard several people giggle behind me.

It seems I was the only one in that area who had uncovered and saluted the flag!

The pride in the community was obvious, unfortunately, the lack of respect for the flag of our country was even more obvious.

I lived in Belle Glade for 10 years before moving to the coast, and also have a great deal of pride in this community. I regret to say that pride was sadly diminished today!

'Joy comes in the morning' to play

BELLE GLADE—"Joy Comes In The Morning", experiences of sorrow turned to joy by David Denner, will be presented Friday and Saturday at 8 p.m., in the First Baptist Church sanctuary.

The Easter drama is directed by Kevin Wright, music director for First Baptist Church.

The cast includes members of the adult choirs of First Baptist Church, Belle Glade Alliance Church, Community United Methodist Church and the First Baptist Church of Lake Placid.

According to Wright, *Joy Comes In The Morning* recounts the week before Jesus' crucifixion beginning with his triumphal entry into Jerusalem and ending with the resurrection.

"The cantata examines the final portion of Jesus' earthly ministry through remembrances of

those who knew him. From the hopelessness and final self-destruction of Judas, to the collapse in the faith of Peter, and the quiet sorrow of Mary," he added.

Wright said *Joy Comes In The Morning* also is a story of the darkness of those days which was shattered by the dawning of the resurrection morning—the triumph of Jesus over sin and death. With that triumph, all the tears of sorrow are turned to tears of joy.

The cantata dramatic scenes will include The Triumphal Entry, The Supper, The Garden, The Betrayal, The Denial, The Crucifixion, The Tomb, The Resurrection, Our Joy Comes in the Morning and Hallelujah! What a Savior.

King without pyramid

Nowhere in this world is there a tomb of Jesus Christ! The body of the crucified Lord but the grieving women who came to anoint his body found the sepulchre empty.

His mystified disciples gathered in the upper room to discuss the reports being circulated by the women. Suddenly the Lord stood in their midst.

"He lives," proclaimed one of our beloved hymns. Not he lived but he lives. This is the crowning joy of Easter.

On Easter morning hundreds of millions more than have ever marvelled at the relics of Tutankhamun will genuinely grasp the King who has no pyramid.

Be among them then... and worship every week.

"Scared To Death or To Life"

When Jesus waled out of His tomb the guards were scared to death. Here are teh words, "At the sight of Him (Jesus) the guards shook with fear and lay like the dead."

The women who came to the tomb were confronted by an angel. The angel addressed the women, "You have nothing to fear. You are looking for Jesus, who was crucified. He is not here. He has been raised again, as He said He would be."

The guards became "like dead men." They were terrified by the heavenly vision. These Roman guards had been sent to watch the tomb of Jesus. Jews had heard the boast of Jesus that He would rise in three days, so they asked Pilate for a guard to secure the tomb from interference by the Galilean's disciples.

Pilate said, "You may have your guard; go and make it secure as best you can. So they went and made the grave secure. They sealed the stone and left the guard in charge."

Jews did not want the disciples to steal the body of Jesus and claim that He had been raised from the dead. At His resurrection, Jesus had scared the guards to death.

God, according to the Old Testament, spares no one who took up arms against Him or His people. He wanted to show His people that He was Yahweh who was alone. The pursuing Egyptians were drowned in the Red Sea.

God could not abide disobedience. The family of Achan was destroyed because he disobeyed God's command about taking the battle loot at Jericho. God told the Children of Israel in conquering Canaan to kill the inhabitants and not to take prisoners.

To those who follow God and believe in His purpose, He give life. The angel said, "Do not be afraid for I know that you seek Jesus who was crucified." The women then were sent by Jesus who said, "Do not be afraid, go and tell your brethren to go to Galilee and there they will see me."

The followers were given life and the message of hope to be given to others. Both of those who were confronted by Jesus were scared. The women were scared to death. The women were scared to life.

The confrontation of Jesus with the women was the beginning of a new life. They were given the first news of His resurrection, which is the case of all good news, it is to be spread to others.

The effect of the resurrection was to believe. Being a witness of the risen Lord enabled those women to confirm what Jesus had told them concerning His death.

Most of us are a lot like Thomas, who missed Jesus the first time He appeared to the eleven. We want to put our fingers on His hands and touch the nail holes, and put our hands in the spear wound. Yet in the confrontation with the risen Lord, we believe.

Those who saw Jesus were urged to share. They had discovered the fact of the risen Christ. Go and tell became their duty and joy. All who have met and recognized the "Risen Christ" will want to share the good news.

Those who have met the "Risen Christ" will rejoice. The women are met by Jesus with the word "rejoice." Those who have met the "Risen Lord" will live forever in the joy of the presence of Him. This will be an unending relationship.

The meeting of Jesus by the believer becomes a relationship of joy because life truly begins. The believer is scared, but of life.

"Do not be afraid for I am with you." "Let not your hearts be troubled, believe in God, believe also in Me." The resurrection is joy and a new life. Confrontation with Jesus, the risen Christ, becomes a frightening experience, but is to life and joy.

A Service of Celebration of Easter will be held at Sunrise at the new Belle Glade Marina at 6 o'clock Sunday morning. This service is an annual activity of the Belle Glade Ministerial Fellowship.

The Rev. Robert W. Carlson, newly called pastor of the Belle

Glade Alliance was graduated from Asbury College, Wilmore, Kentucky Sunday morning. This College, Circleville Bible College and Ohio State University. Rev. Carlson has held pastorates in New York and Ohio before coming to Belle Glade. Carlson and his wife

Susan have two sons Daniel and John. The Sunrise Worship will begin with the Invocation by the Rev. Paul Murray, pastor of the First Baptist Church of South Bay. A Litany For the Na-

tion and the Community will be led by the Rev. Joseph Santa Bi-biana SEB, pastor of St. Philip Benizi Catholic Church. The Rev. Aaron Pet-try pastor of the Wor-ship Center will read

the Easter Scripture. The Rev. Robert Atkins, pastor of the First Baptist Church will present the Challenge of Easter to the Community. The closing prayer and benediction will be given by the Rev. Joe Ed. McGahey, pastor of the Community United Methodist Church. John Dulany accom-panied by Phil Dulaney of the Community Methodist Church will lead the singing.

KEEPING THE FAITH

"He is not here! He is risen!" Matthew 28:6. The angel was proclaiming a fact. There was nothing symbolic about the resurrection - it happened. The body of our Lord Jesus Christ which had been laid in the tomb after His death on the cross had come to life.

The Christian faith is a supernatural faith. That is we believe in a Savior who had a supernatural birth - (the Virgin birth), who had a ministry that was filled with supernatural events (miracles, healings and restoring life), and that He was raised from the dead to become our Living Lord.

Jesus died on the cross for a purpose. He died to pay the price for our sin. He rose from the dead to give us the hope of eternal life with Him.

It is because we as Christians have put our faith in a risen Saviour that we can live a victorious life. With a Lord and Saviour who has overcome death we do not have to fear death. We can live in the knowledge that if we have truly given our lives to Jesus Christ, that death will become our greatest and most lasting victory. As Paul wrote to the Corinthians, "For the perishable must clothe itself with the imperishable, and the mortal with immortality. When the perishable has been clothed with the imperishable and the mortal with immortality, then the saying that is written will come true: 'Death has been swallowed up in Victory' 'Where, O death, is your victory? 'Where, O death, is your sting? The sting of death is sin, and the power of sin is the law. But, thanks be to God! He gives us the victory through our Lord Jesus Christ." 1 Cor. 15:53-57.

If you take the supernatural out of the Christian faith you rob it of its power and victory. Christianity is not faith in man, in his goodness nor his power. Christianity is putting our faith in the Risen Lord Jesus Christ and believing with our whole being that He can and will change us into being what we ought to be. It is believing with all our hearts that He loves us and wants the very best for us.

The Christian faith is a relationship with God through Jesus Christ. It is a relationship of commitment and love. God loves us more than we will ever be able to love Him. He committed Himself to us in the giving of His Son, Jesus Christ, to die on a cross for our sin. When we understand this it should be the natural thing on our part to love Him back and commit our lives to Him. This is especially true when we come to realize that He wants the very best for us in this life and has promised us the gift of eternal life in Him if we accept Jesus Christ as our Saviour.

To have the burden of sin and guilt lifted from us is supernatural. I have seen hundreds of people come to have joy, when only moments before they were burdened with guilt, loneliness, fear and despair. I have seen lives that were once in bondage to alcohol and drugs set free. In the name of Jesus I have seen the sick made well. The Christian faith is a supernatural faith.

The resurrection of Jesus Christ was a supernatural event in history that enables us to know we can have eternal life with the resurrection Lord Jesus Christ.

He's not in the tomb, the tomb could not hold him. "He is risen!"

LOOK MA, NO WINGS

Black Gold held under sunny skies

Continued from Page 1

With the end of the parade, festivities started at Airport Park. Food booths were there to feed those tired or thirsty after a long day watching the contests and competitions held at the park throughout the afternoon.

A team representing A. Duda and Sons took first prize in the Almost Anything Goes competition. Glades Day's team won the high school division, which isn't surprising since it was the only team entered in that category.

The beard contest was judged too. Despite the equal rights amendment and feminism, there were no female winners in this event. Better luck next year, ladies. Darren Lumpkin won the most unusual beard honors. For his unique beard, he received a tube of mustache wax.

The longest beard was judged to have been grown by Ron Sigmond. He received a ruler to measure it with in days to come.

The ugliest beard was grown by Renza Echols according to the judges, who gave him a razor with the advice to shave it "quick."

The pet show was also held at the park Saturday. Brandi Miller's cat, Bear, won the feline honors.

For prettiest dog, the winner was Shamber Resmondo's Zeb.

Tammy Rene Bishop's dog, Sugar Lee, was judged to be the best in the sportsmanship category.

Didi Echols' dog, Jablo, was named the funniest.

Brownie, a chicken, was the most unusual pet entered in the contest. Brownie is owned by Kenny Lutz.

Big Wheel races, baby crawling contests and a pie eating contest were also held during the day.

For \$2.50, children could get their faces painted up as a clown. There were a lot of clowns in Belle Glade, including a couple from the police department: Mike Miller and Louis Lowery.

Winners at the Big Wheel races were divided into age groups.

The under four years winner was Patrick Altman. Second place was tied up by Erin Shepard and Jason Cunningham.

The five year race was tied with Ryan Mann and Jeremy Brooks. Davy Rimes took second by himself.

Six year old Gary Resmondo copped first place in his division, followed by Miles Griffin

and Echo Shepard.

In the pie-eating contest, Chantal Schaefer proved to be the hungriest contestant aged five or under.

Between the ages of six and eight, Shirlenia Robinson was the winner.

Brett Schaefer was the best pie eater between the ages of nine and 10.

Brad Smith won the 11 year old contest.

After the kids were put to bed, the adults went to the dance at the Elks club the night.

The next day, the festivities began over the new marina pavilion.

Barbequed chicken was served at the marina beginning at 11:30 a.m. for \$5 a plate.

Two bands played for the crowd: Southern Knights and Southern Express.

A ski show was put on by Sunshine Water Sports.

South Bay Growers, which last year won two of the three raft races, won all three this year.

Climbing greased poles proved to be the way to riches for two young men. Keith Waters, 10, found \$10 at the top of his pole and Christopher Biall, also 10, found \$20 when he finally reached the top of his. Biall, by the way, is a newcomer to the community and made it to the top of the pole in his first try.

The city recreation department literally sank to last in its efforts to win the canoe race and more than one turtle was too shy to come out its shell to win the wild turtle race.

Black Gold Jubilee tee-shirts were everywhere, but it was the straw hats and the Black Gold Jubilee baseball style hats which offered the best protection from the hot sun during the two days.

WSWN broadcast from marina Sunday, grabbing any willing and some not-so-willing merry-makers to say a few words to the folks out there in radio land - if there were any. Seemed most people were out at the marina.

A religious service was held Sunday evening at the pavilion.

Immediately afterwards came the traditional fireworks display.

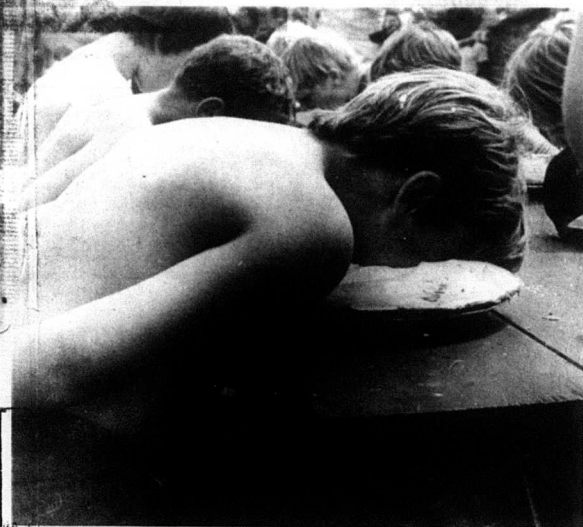

And then, the party was over. Southern Knights kept playing till on into the night for those who lingered, but, with Monday being a work day, the crowd dispersed and everyone went home to wait for next year.

AFTER THE SKI SHOW, the canoe races were held.

A KING KONG-TRAINER routine was part of the ski show.

TO BE THE WINNER you had to eat the contestant did as he dug in to eat the whole thing and this is just what this contestant did in the pie eating contest Saturday.

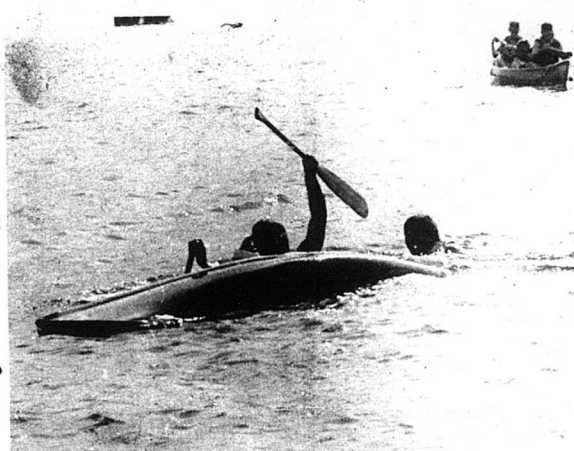

IT WAS TIME FOR A BREAK after eating a whole cream filled pie in less than 30 seconds.

AFTER THE PIE eating contest, many kids' appetites for pies were satisfied.

Wet and wild

THE RECREATION DEPARTMENT never quite finished the canoe race.

LOOK OUT BELOW! The skier at the top never actually fell on the one at the bottom.

SUNSHINE WATER SPORTS entertained the crowd at the Marina Sunday.

IN THE RAFT RACES, South Bay Growers won all three races with this model.

English family honored as 'citizens'

BELLE GLADE—When the Fourth Annual Black Gold Jubilee Parade stepped out Saturday morning there were special guests looking on while the Miss Spockle Perch, The Belle Glade Bum Bee, The Belle Glade Chamber of Commerce Horn of Plenty, the Boy Scout, and the Girl Scout floats passed in review.

The Black Gold Jubilee Parade special guests were Mr. and Mrs. Raymond (Sheila) Treacher and their daughter Pamela from Great Britain.

The Treachers on the final leg of a three week vacation in the United States and were also named Honorary Citizens of the Day. They were given Black Gold souvenirs and were escorted to Airport Park, the site of Saturday events following the parade.

The Treachers were bestowed with the honor by Jubilee Chairman Steve Weeks.

In search of some out-of-town guests to make citizens of the year, Weeks asked Innkeeper David Pirella of the Holiday Inn for the names of out-of-town guests registered at the hotel.

Pirella suggested the Treachers since they were from England and would be staying the weekend.

The Treachers said they had heard Belle Glade was a nice spot to do some fishing and for that reason had driven down from Miami before heading back to England.

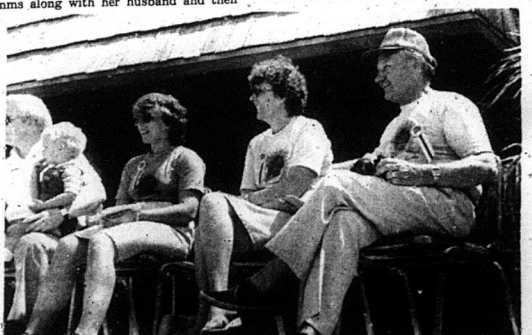

Mrs. Treacher said the family met very "friendly and warm people" and considers the celebration

one of the most rewarding experiences of their vacation.

Mrs. Treacher said she is employed by British Telecomms along with her husband and their

daughter is a member of the Women's Royal Air Force.

Following the outing at Airport Park, the Treachers also attended the Black Gold Jubilee Dance at the Elks Club Saturday night.

MR. AND MRS. RAYMOND TREACHER and Jubilee Parade. The Raymonds rode in the their daughter, Pamela were named front of the parade and watched the Citizens of the Day during the Black Gold parade from the view stand.

PAHOKEE - Miss Loly Castro of Belle Glade and Steven D. Miners of Pahokee were united in marriage on Saturday, March 27.

The double ring candlelight ceremony was performed at the First United Methodist Church of Pahokee with Rev. A.F. Donovan officiating.

The bride is the daughter of Mr. and Mrs. Jose E. Castro of Belle Glade. The groom is the son of Mr. and Mrs. Curtis Miners of Pahokee.

The church altar was decorated for the ceremony by The Rose Pedal with a large green arrangement surrounding the main altar cross.

The Unity Candelabra was decorated with an arrangement of white tinsel Pom Poms and Babies Breath.

Victor Castro, youngest brother of the bride, lit the candles. Mrs. Teryl Collier provided the organ music program for the wedding.

The bride, given in marriage by her father, wore a pale ivory chiffon dress. The full skirt was accented with sheer embroidered flowers that continued all around the capelet which formed the blouse.

For her jewelry, the bride chose an antique

diamond necklace with matching earrings that belong to her grandmother.

She carried a cascade of peach colored Sonias roses interspersed with Tuberoses and outlined with English Ivy. Doris Arguelles, cousin of the bride, was the matron of honor. She wore a royal blue crepe Georgette dress with victorian sleeves accented with a white Cymbidium orchid corsage.

Curtis Miners, father of the groom, served as best man. The men each wore a Sonia rose boutonniere.

Mrs. Castro chose an iris blue print silk dress for her daughter's wedding. Mrs. Miners, mother of the groom, chose a print lilac chiffon dress. She was ushered to the altar by her two sons, Alan and Jay Miners.

The groom's two grandmothers attended the ceremony. The bride's grandmother was also present for the occasion.

A reception was held immediately following the ceremony at the fourth floor of the Sugar Cane Growers Cooperative of Florida. It was attended by close family and friends of the couple.

Following a honeymoon to New Orleans, the couple will reside in Tampa.

Lady Gators beat CDS Crusaders

By JEFF BROWN

BELLE GLADE - The Glades Day Gator Softball squad Friday, April 2, used defense and the pitching of Marilyn Thompson to beat the Christian Day Crusaders 7-1.

Thompson, pitching in the season's only night game for the two teams, held the Crusaders to five hits. She faced 30 batters in the seven inning contest, giving up an earned run in the sixth, and she struck out one in the second.

Brenda Rowland, the Crusader pitcher, threw to 29 batters in six innings, giving up six hits.

The Crusaders lost the game in the first inning. Sheila Lashley led off for the Gators with a base hit. The second batter, Angie Adams, reached first on an error. Lashley was the victim of a fielders choice at third as Lauralee Green reached first, putting runners at second and first for the Gators with one out.

It looked like the Rowland was going to get out of the inning when Kelly Teets popped to second for the second out, but two batters and three errors later, Adams, Green and Tammy Scruggs had scored and Mel Swager was standing at third.

Jaime Wills flew to left to end the inning.

The Gators added four more runs in the third inning. Lashley led off with her second base hit of the night, but again was knocked out on a fielders choice when Adams hit to the shortstop.

Green followed with an RBI triple. Teets' base hit scored Green from third. Teets and Scruggs both scored later that inning due to errors. Swager was caught stealing and Wills grounded out to Rowland to end the inning.

Rowland got stronger in the final three innings, facing a total of 12 batters throughout the rest of the game.

The Crusaders spoiled the shutout in the sixth when Robin Rashley, batting in the third spot in

Raiders field baseball team this year

MEMBERS of the Glades Central Baseball team are Andre Dilworth, Martin Santoyo, Carlos Shaw, Hank Ruiz, Fred Robinson, Richard Anderson, Glenroy Thomas, Travis Barrett, Lionel Camel, Michael Stinson,

Tony Moore, Edward Slater, Russell Motley, John Ford, Anthony Barnes, Verdell Singletary, William Cruz and Melvin Dixon. The coaches are Walter Halsem and James Harrington.

BELLE GLADE - The Glades Central Community School has fielded a baseball team after going without a team in 1981.

The Raiders opened their season on Feb. 16th with a game at Fort Pierce Central High School.

The team is coached by Walter Halsem, head coach, and James Harrington, assistant. The team record is presently 2-9-1 but Halsem said it does not give a true indication of the talent that is on the team.

"Having no team last year hurt the team, but if the program is not cut, Glades Central will have some key players coming back next year," said Halsem.

Although the regular season will end on April 16th with a home game at 3:30 against the Atlantic Eagles, the Raiders will be playing in the District playoffs.

Halsem said the District tournament will start Tuesday, April 20, with the bottom team playing the top seeded team.

At the opening of the season the Raiders were expected to be a district contender behind the pitching of William Cruz. Cruz was a member of the Christian Day School baseball team last year and had a record of 17 season wins. He transferred to Glades Central this year.

Cruz said he has been sick much of the season, but hopes to play in the remaining games.

Cruz said he also hopes to continue his baseball career after high school.

Also pitching for the Raiders are Martin Santoyo, Richard Anderson, and Melvin Dixon.

Other team members are Andre Dilworth, shortstop; Carlos Shaw, centerfield; Hank Ruiz, third base; Fred Robinson; outfield; Glenroy Thomas, catcher; Travis Barrett, leftfield; Lionel Camel, second base; Michael Stinson, left field; Tony Moore, catcher; Edward Slater, shortstop; Russell Motley, outfield; John Ford, first base; Anthony Barnes, outfield, and Verdell Singletary, first base.

The Raiders will play Ft. Pierce Westwood on April 8th, Atlantic on April 16, and Cardinal Newman on April 17. The district playoffs will start April 20th.

Gators edge Benjamin

By JEFF BROWN

BELLE GLADE - After blowing a 6-0 lead, the Glades Day Gators, Thursday, April 1, held the Benjamin Bucs to a 6-6 tie through two innings to win the game in the bottom of the seventh.

Brian Lohmann scored the winning run on an error after he hit a double to lead off the last inning.

Tommy MacArthur started the game on the mound for the Gators, and pitched two and 2/3 innings of perfect ball before walking the Bucs designated hitter, Jay Dicken, in the third. Mike Hewitt, the Bucs' shortstop hitting from the lead-off spot, followed with a single.

With runners on first and second and two outs, MacArthur stopped the Bucs by striking out Alan Burger with five pitches.

He pitched to six batters in the fifth inning, striking out one, walking three, giving up a double and a grounder, before he was relieved by Antonio Sanchez. He walked one run in and gave up a single and a double before picking up the last out.

Sanchez settled down in the sixth, walking one. In the seventh, he walked the lead off batter and retired the side, picking up a strike out.

The Gators scored two runs in the first off starter Steve Royal, three in the second and one in the third. After the first three innings, Royal breezed through the line-up in three consecutive innings before being relieved by Dave Spears in the seventh.

Spears gave up a double to Lohmann and intentionally walked Raul Garcia to set up a double play situation. Catcher Richard Schiele popped

up to the first baseman, bringing Henry Alava to the plate.

Alava had went 0 for 3 on the day and it looked like the Bucs were going to put the game into extra-innings when Alava tapped a grounder to the second baseman, Rick Biedewolf.

Biedewolf booted the ball, however, giving Lohmann the opportunity to score the winning run from second.

MacArthur pitched four and 2/3 innings, giving up four walks and two hits. He struck out five.

Antonio Sanchez picked up the win in relief, his second win of the week. Two days earlier he had beaten LaBelle from the starting role.

Raul Garcia led the team with three hits against the Cowboys. Richard Schiele picked up four RBIs and two hits in the contest, which the Gators won 10-7.

Schleier scored twice.

Later that week, the Gators met the Crusaders, the first game of the season between the two Belle Glade high school teams. They had started a game earlier in the season, but it was postponed due to rain.

Belle Glade walked off with the win, 11-5.

...

The Gators are now 4-7.

Garcia is leading the club with a .348 batting average. Lohmann is batting .323, Schiele .290 and Guerrero .300.

Wilson is hitting .263 and MacArthur .269. Sanchez is leading the team in victories with a 3-3 record.

ANTONIO SANCHEZ picked up the win against Benjamin Thursday, April 1.

Crusaders split 4 games

BELLE GLADE - The object in high school baseball and basketball, unlike football, is to bring your team to its peak performance during the district tournament which takes place after the regular season. The best record in your district may get your team the top seed, but aside from that, it's worthless.

Nothing but a matter of pride.

A team can be 18-0 in the regular season, but lose in the opening rounds of the district tournament and never get the chance to go to regionals, sectionals or states.

So coaches in basketball and baseball try to bring their team to the best of their abilities after the regular season. That's when it matters most.

The Christian Day Crusaders are working toward that goal right now, according to Coach

Woody Salvatore, who reveals that districts has been on his mind.

"Yeah, I've heard a little bit about Boca Raton. They're supposed to have a pretty good team this year. And Pompano Beach is supposed to be pretty good," he said.

Lately, the Crusaders seem to be on a roller coaster of sorts. Last week, they beat Lake Worth Christian 21-0 in five innings, with Luis Garcia picking up the win.

The Crusaders made only four errors in the game and collected 12 hits.

Alex Morales went three for four with eight RBIs.

Tracey Shealey went two for five for three

the order, sacrificed to right to score Celia Pate from third. Rashley was thrown out at first.

Gator Coach Mandy Perez, never one to stop his team from running the score up on the opponent, wasn't too pleased with the 7-1 victory over the cross-town rivals.

His team had won four games by the mercy rule earlier in the season and he indicated the six-hit performance seemed rather shabby in his view.

"I'm sure they feel the same way. We don't play our best ball against them," he said. "It's such an emotional game that neither side plays their best game."

"Our biggest disappointment was that we only scored in the first and third."

Errors hurt the Crusaders. They picked up five hits but made seven errors on the field.

"They're killing us," said Crusader Coach Kathy McReynolds, who added she thinks the team is starting to improve. "I see good signs heading towards districts. (Against Glades Day) we had two bad innings. They can do it."

Brenda Rowland gave up only six hits and seven runs to the Gators who have been averaging almost ten runs per game. She struck out one and walked nobody.

The team, who has been doing all the pitching since Luby Blanchard was injured, is now 8-2. Against Christian Day, she gave up five hits, one run and one walk. She struck out one.

Sherry Mann was the Crusaders leading hitter with three singles in three times at bat.

Melanie Swager led the Gators with two hits in three at bats, including a double and four RBIs. Earlier in the season, the Gators had beaten the Crusaders 5-2.

Bethune-Cookman choir to perform here

BELLE GLADE - The Bethune-Cookman College Concert Chorus will be appearing at Glades Central Community School on Thursday, April 16. Reginald Asberry, director of the Glades Central Community School chorus and a

former member of the BCC Concert Chorus said the group will perform two shows. "The Bethune Cookman Concert Chorus, under the directorship of Dr. Rebecca Steele, has delighted audiences throughout the nation

with their repertoire 'From Bach to Gospel,'" according to Asberry. Asberry said the chorus recently completed a three week tour of the northeastern section of the United States and plans a west coast tour in the immediate future.

The concerts will be held at Glades Central Community School Gym. Asberry said on April 16 at 10 a.m. the choir will present a concert for students. The admission for elementary students will be 50 cents. Asberry said tickets will be available at the elementary schools prior to the concert. Tickets for high school students will sell for 75 cents.

Asberry said the concert choir will present a concert for the general public on April 16 at 8 p.m. Admission price is \$3. Proceeds from the concert will be used to help send the Glades Central Chorus to Six Flags Over Georgia in May.

Asberry said the BCC Concert Chorus is considered by many to be one of the top college choirs in the nation. "Their appearance in the Glades will be a good experience for school students," said Asberry.

BLACK GOLD JUBILEE poster contest winners at Lake Shore Elementary were from left to right, Stacey Williams, third place; Caridad Matos, first place and Alina Ramos, second place. Shown with the students are Assistant Principal Barbara

Case and Mrs. Olga Mirabal, bilingual teacher. Miss Anita Adams, of the Black Gold Jubilee committee served as the judge for the contest. More than 150 students at Lake Shore entered the contest.

Crusaders beat Gators

BELLE GLADE - The Belle Glade Crusaders baseball team beat the Glades Day Gators Friday, April 2, 11-5.

James Barnwell went seven innings, striking out six, to pick up the victory. Antonio Sanchez, pitching six innings, struck out two and lost the game for the Gators. "It should have been a lot closer ball game than it was," said Woody Salvatore, the Crusader Coach. "Their hits were spread out. Their errors were all at once and we had our mistakes spread out." "I honestly thought we were going to beat them," said Gator Coach Tom King. "We were ahead 4-2." Sanchez fell into trouble and was relieved by Tommy McArthur, Jeff Parsons and Telichea. The Gators lost the game on the nine errors they committed, according to King. "You can't give up nine errors," he said. "That's like giving them two extra innings."

STEVE WEEKS, Black Gold Committee Chairman, helped clean up after the Almost Anything Goes contest Saturday.

Store relocates

BELLE GLADE - The Mather Furniture Store in Belle Glade is doing business at a new location, according to Larry Dillard, General Manager of the Belle Glade and West Palm Beach Stores.

The new store location, 732 S.W. Ave E is next to the Alabama-Georgia Store. Mather Furniture is the oldest furniture dealer in Palm Beach County, according to Dillard, having been in the county for 59 years.

"The new location has more space," said Dillard, "therefore we

will be able to offer a wider selection for our customers."

Mather Furniture offers a wide range of selections from modern to Victorian baby beds to television sets.

"We also have easy credit terms for qualified buyers and we offer our own financing," said Dillard.

"We invite all our friends and new customers to come by and visit our new location."

The local manager is Lonnie Horton. Mather

Furniture is planning a grand opening at a later date.
